

Summer Sport News 2018

The summer term has been busy as always with many sporting activities across all ages.

Crowlees Mini Olympics

We hosted a mini Olympics event for Year 2 and Year 5 children from the Mirfield primary schools. The children participated in a circuit of physical activities testing their agility, balance and coordination. Children from our Year 5 and 6 classes helped out at the event as young sports leaders, helping to ensure that the event ran smoothly. Mr Goodall, our Mirfield Sport Co-ordinator, was really impressed with the skill shown by children taking part and by the leadership on show.

National School Sports Week

Our Sport Partnership run an event during National School Sports Week for Year 4 children which gives them the opportunity to try a variety of sports whilst making friends with children from other schools in Kirklees. Our children tried handball, cricket and athletics amongst other sports. Although the weather was extremely hot, they had a great day and represented school very well.

Mirfield Tri-golf

A team of 8 children from Year 4 took part in a tri-golf event at MFG. They learnt the basics of chipping and putting whilst competing for points in a range of exciting challenges. Some were pretty tricky but all of our team improved over the evening and scored lots of points!

Clubs @ Crowlees

A big thank you to all children who attended sports clubs at Crowlees this year. The teachers have loved running them and super proud of all the efforts and achievements from the participants. We look forward to seeing more of you next year!

Sports Day

Our sports day was fantastic this year. It is always great to see so many parents arriving to support their children, and take part in the races for parents! They children were super competitors and we were impressed with the level of talent displayed. Well done to all the winners!

Football Friendly

Our football team played a friendly match against Hopton and drew 4 all. Brilliant result!

Rounders Friendly

We took a team of Year 6 children to a rounders tournament at Crossley Fields. Due to a lack of time, we only played 2 matches but the whole team played really well - lots of rounders and some catches too! Well done, team!

Cricket competitions

Year 4 and Year 6 were lucky to have fantastic weather when they competed against the other Mirfield primary schools in the Kwik cricket competitions. We were very impressed with the skills on display. It was great to see a mix of girls and boys representing Year 6. The boys representing Year 4 won their event. The Year 6 team played really well but unfortunately didn't progress to the next round.

English Institute of Sport Visit

Daisy in Year 5 was selected partnership to attend a 1 day Talent Academy in recognition of her being one of the most talented children in our Partnership. Only 45 children from over 2000 were selected to attend this special event. She was able to take part in a variety of sports at this excellent sporting facility. Well done, Daisy!

Playleaders

At the start of the school year, over 30 Year 6 children were trained as playleaders to help support and encourage the KS1 children to play actively at lunchtimes. They have worked incredibly hard all year to ensure the younger children are having fun and learning to play games fairly. Thank you!

Sports Organising Crew

16 Year 5 children have taken on the roles of Sports Organising Crew members this year. They have been leading a variety of challenges at lunchtimes for KS2 children. The challenges were all personal so the children could compete against their own scores and aim to improve their skills. They have been skipping, hula-hooping, running and completing whole host of other challenges. I have been very proud of all the SOCs for their hard work and leadership skills. Thank you!

Pennine Sports Partnership Celebration Evening

This annual events is hosted by Pennine Sports to celebrate the sporting achievements within our partnership. The guest speaker this year was Kate Richardson-Walsh, the gold medal winning ex-England Hockey captain. We were proud to see two of our children received awards this year: Martha for leadership in sport, and Olivia for her involvement in sport throughout her time in primary school. Well done, girls!
