

Pennine Sports Dance Challenge

Pennine Sports Partnership have created a dance challenge for our young people (and even staff) to take part in.

The winner will be able to choose an activity for school provided by Pennine Sports for a full day when we return to some normality. Everyone who enters will receive a certificate for taking part.

Rules:

You have the choice of the following spaces within your home;

Kitchen

Living Room

Garden

In this space, you need to create your own short dance routine of no more than one minute. Try to be creative with the space (or lack of!) that you have. Try to include a range of action (movement), space (levels,directions) and dynamics (fast, slow, sharp,fluid).

For an extra challenge – try using a prop from the space that you have chosen to perform in!

Rehearse, Perform and Film It!

Email your entry to: challengepsp@outlook.com

Include the following:

***Initials of child**

***School**

***Year group**

***Permission to show entry on social media - YES or NO**

Deadline: Sunday 31st June (end of half term)

We look forward to seeing lots of Crowlees entries! You could email them to your teachers at school as well on the class email addresses. Good luck!
