

Pirate Wanted Poster

A bad pirate snuck onto your ship in the night and stole the chest that was full of treasure. You need to create a poster that asks others to search for the bad pirate and help get the treasure returned.

To do this, you will need to have the following:

- Explain what was taken, where from and how
- Describe how it's made you feel
- Rhetorical questions – how would others feel if it happened to them?
- List of items stolen in the treasure chest
- What do they look like? Use adjectives to describe them and their ship
- Offer a reward for getting the treasure back
- Draw a picture of the bad pirate so that others know who to look for.

You can design your own poster, or use the template below.
